NEWS MEDIA SERVICES AT BOARD MEETINGS

Under the direction of the Superintendent the Information Officer shall provide such liaison with representatives of the news media at Board meetings and at other times, as will further factual reporting and adequate coverage of Board activities.

Public Affairs Report Committee 982 - a/17-10-67

That all correspondence and attachments relating to such correspondence considered by the Board in public session be made available to the news media prior to Board meetings, but that all items distributed be in keeping with the By-laws regarding camera regulations.

Board Motion a/21-11-72 MBP 921
